Facility Hire Fees and Charges

1 HIRE FEES

1.2 HIRE CATEGORY

Hire of the facility will be classified into one of three categories according to use and fees charged at the associated rates.

Standard Hire Fee	The standard rate applies to most bookings for venue hire. This include any activity (events, classes, courses etc.) for which a fee is charged, leading to a profit for the hirer and/or their organisation (including not for profit organisations); use for commercial promotion activities (i.e. sales promotion).
Private Hire Fee	Applies to Individuals conducting private invitation only activities that are not available to the general public e.g. private birthdays and functions; Service Providers running a targeted programs for defined participants.
Community Hire Fee	Applies to Incorporated Community Groups or Not for Profit organisations that are registered or situated within Kununurra. Uses charged at this rate are organisational meetings, organisational activities, community classes (which may charge a fee to cover costs i.e. not make a profit), and other non-commercial events deemed appropriate for the rate by KNH.
